Description

Fake Bake's Flawless Coconut Tanning Serum is a magical elixir, so jam-packed full of skin-loving ingredients that it will seriously change the way you tan forever! This worldwide exclusive combines our luxurious Fake Bake formula with superfood Coconut Oil and it is a gorgeously glowing match made in heaven. It's time to fall in love with Flawless all over again.

So what makes it so special?

- Coconut Oil

This natural anti-ageing ingredient is a highly effective source of moisture which nourishes, firms and improves skin tone.

- Lightweight Serum formulation

A worldwide exclusive in tanning, the serum formula provides a refreshing and melting effect on contact with skin.

- Hyaluronic Acid

Celebrated as the 'fountain of youth' because of its ability to plump, moisture and cushion skin.

- Premium naturally-derived tanning agents without artificial preservatives

Ensures your tan is long-lasting, streak-free and fades out evenly.

- Glycerin

A powerful humectant, it is a skin repairing ingredient that prevents moisture loss.

- Silk Amino Acids

These anti-ageing ingredients help to prevent dehydration and wrinkles, leaving skin with a silky soft texture.

The Know How

Fake Bake Flawless Coconut Tanning Serum is the latest addition to the Fake Bake line up and a new addition to the Flawless franchise. This beauty and bronzing hybrid works

to deliver a luxurious golden glow. Packed with carefully selected ingredients, it is a fast drying, refreshing, hydrating and moisturising serum that takes luxury tanning to the next level. Naturally-derived tanning ingredients DHA, Erythrulose and DMI blended with key skin loving ingredients, create the most natural, believable and enviable self-tan result.

Tanning Perfection Directions

Skin should be clean and exfoliated pre-application

Shake gently before use

Always wear waterproof gloves when applying

Pump a small amount the product and apply in circular directions

Lightly glaze over elbows, hands, knees and feet

Bend elbows and knees when applying

Rinse off guide colour with warm water after development time
